

**SERVE TO CHANGE LIVES**

Dear Rotarians and friends from all over the world!

Ukraine (District 2232) has been invaded by Russia and Belarus. Ukrainian cities are being bombed and shelled, many civilians, women and children, have been killed or wounded. There is a huge wave of refugees, who are fleeing the war to the west of the country and to cross its borders into neighbouring countries.

The Rotary International Board of Directors has also established a RI Committee to coordinate the provision of assistance to Ukraine from around the world. In addition to me, the following are our key contact persons:

- PDG Mykola Stebljanko (sniko@ukr.net +380676503018)
- PDG Vira Syryamina (rotaryd2232ua@gmail.com +380677466521)
- District Secretary Anna Kozhyna (ridsecretaryua@gmail.com +380677960663)
- Medical Coordinator Olha Paliychuk (oncology@2upost.com +380505207352)

District 2232 (Ukraine) has formed a Coordinating Committee for the Prevention of Humanitarian Disaster, focused on helping all victims of the war in Ukraine and coordinating support from the global Rotary International organisation. We are asking you for help to overcome this global catastrophe. We are collecting financial assistance to the official accounts of our District 2232 to buy humanitarian aid. The District accounts for sending financial aid are included below.

Rotary International has also set up a Disaster Fund for Ukraine. We call upon all Districts to apply for grants from that Fund, which will help to purchase of supplies, which are urgently needed in Ukraine. The funds will be utilised for the purchase of essential medical and general humanitarian aid. We are using all means possible to source what is most urgently required and arranging despatch to our Rotary colleagues in the zones of Ukraine, which are suffering most. This includes:

- Medical supplies – both for the treatment of those injured or wounded in defending the country and by indiscriminate attacks on the peaceful population of Ukraine, schools, hospitals, residential areas
- Medical supplies for the general population, hospitals and specialist medical units (childrens, oncology etc) first aid kits
- Food and other supplies, especially for young children. Non-perishable foods, pampers, hygiene products

- Sleeping and bedding equipment – mattresses, air beds, sleeping bags, pillows, yoga mats

All initiatives by Rotary Clubs of Ukraine will be coordinated directly through me and the key contacts. Please provide all information concerning your projects and initiatives directly to us at the contact details provided above and below.
